2. The last school year was an unprecedented one in the history of Educational system due to the COVID-19 Global Pandemic. The year was full of challenges, but we could come out of it successfully because of constant cooperation from the stockholders.
3. Now, as the new session has started with the new normalcy, let's join our hands once again to prepare our children Academically, Athletically and Socially.
4. Let me take this opportunity to explain you the steps taken by the school for smooth teaching learning process:-

 - (e) Class work, home assignment and test papers are shared in the Google classroom for each subject.
5. It is my urge and request to the parents to ensure that:-
 - (a) Your child sets up his or her Academic target at the beginning of the session and strives hard to achieve it.
